## FOREWORD

Survey (1935-39) which gave prime emphasis to the Inventory of who would learn how we came to be what we are as a people. recording the workings of a democratic society, available to all a milestone in the democratic process of making the materials, will certainly be noted, and we will welcome learning of them. be and our attention will be devoted to filling those gaps. Errors harrowed soil. Over the years, through too many vicissitudes North Carolina to the Library of Congress, the seed fell on well-Records Microfilm Project was proposed by the University of County Archives, chiefly because the program distributed work By and large, however, we consider this Records of the States, hundred page volumes under one title. Gaps there are sure to publication form on a scale never before attempted, 120,000 feet the Project has been brought near completion. Here, in subopportunities to the greater number. When, however, the State of film is the equivalent of about 1,920,000 pages or 6,400 three-Not so many years ago I headed the Historical Records

LUTHER H. EVANS Librarian of Congress
